

MAHARISHI VIDYA MANDIR PUBLIC SCHOOL

SITAPUR ROAD LUCKNOW

Class - XI

**Subject –Chemistry
(Session: 2017-2018)**

Month	Topics
April	Structure of Atom
July	Chemical bonding and Molecular structure, States of matters : Gases and Liquid
August	Thermodynamics, Equilibrium.
September	Redox reaction , Hydrogen
October	S-Block Elements, p-Block Elements, some basic principles and technique of Organic chemistry
November	Organic chemistry, Hydrocarbons.
December	Hydrocarbons, Environmental chemistry, Revision
January	Start class XII course Solid state Solution.
February	Revision of whole course.
